

Over 90 contracted lorries are working successfully for us.

Full

utilisation of the tarpaulin trucks on a roundtrip basis

Your advantage with a long-term partnership!

- **Payment based on km**
(full + empty km)
- **Quick and regular freight payments.** If desired, immediately with a 3% cash discount deducted.
- **Weekly payment via bank transfer..**
- **Fuelling card with no deposit..**
- **Full utilisation** of the tarpaulin trucks on a roundtrip basis.
- **Economical vehicle usage/deployment**
- **Year-round work** (even during the summer holidays)
- **No loss of time due to scheduling** – this is completely taken over (significant reduction of telephone costs).
- **Weekly freight invoicing:** You receive a complete list of the loads and prices from the previous week faxed every Friday.
- **No bad debt losses:** We completely bear all default risks
- **Experienced specialised and multi-lingual scheduling team in French, Polish and English.**
- **Direct connection to the largest freight markets/cargo hold markets in Europe.**
- **Special terms** when using more than 5 vehicles
- **Large customer base** with many direct customers

We are permanently expanding our charter transport to France. Under the rubric [CURRENT NEWS](#) we regularly report on our current needs.
